

In the claims:

A complete listing of claims follows:

1-39. (canceled).

5 40. (new) A gaming device comprising:

(A) a first game of chance having a first game outcome, the first game of chance
allowing the player to place a first wager and potentially entitling the player to a
first prize, the first game of chance comprising:

- 10 (a) a dealer position;
- (b) a first wagering scheme;
- (c) at least two individual card wagering positions;
- (d) a first wager input; and

15 (B) a second game of chance having a second game outcome, the second game of
chance allowing the player to place a second wager and potentially entitling the
player to a second prize, the second game of chance comprising:

- (a) a second wagering scheme;
- (b) a second game play area; and
- (c) a second wager input.

20 41. (new) The gaming device of claim 40 wherein the first game outcome and the second game
outcome are independent.

42. (new) The gaming device of claim 40 wherein the award of the first prize is independent of the second game outcome and the award of the second prize is independent of the first game outcome.

5 43. (new) The gaming device of claim 40 wherein the second game play area is a roulette-like betting area that is located between the dealer position and the card wagering position.

44. (new) The gaming device of claim 40 wherein a roulette-like wheel is mounted adjacent to the roulette-like betting area.

10

45. (new) The gaming device of claim 40 wherein the first game is blackjack.

46. (new) The gaming device of claim 40 wherein the second game is roulette.

15 47. (new) The gaming device of claim 40 wherein the player is required to wager on the first and second games of chance.

48. (new) The gaming device of claim 40 wherein the player may wager on either or both of the first and second games of chance.

20

49. (new) The gaming device of claim 40 wherein the first and second games of chance are operatively coupled to each other.

50. (new) The gaming device of claim 40 wherein the first game of chance comprises a table, the first card wagering position appearing on the table.

51. (new) The gaming device of claim 40 wherein the first game of chance comprising a table,
5 the second game of chance having a rotatable wheel, the rotatable wheel being mounted to the table.

52. (new) The gaming device of claim 51 wherein the rotatable wheel is mounted to the table such that it may rotate about a horizontal axis.

10

53. (new) The gaming device of claim 40, wherein the roulette betting area comprises a video display.

54. (new) The gaming device of claim 40, wherein the second game has more than two
15 outcomes.

55. (new) The gaming device of claim 40 wherein the second game is keno.

56. (new) A gaming device comprising:

(A) a dealer position;

(B) at least one game player position;

(C) a first game of chance having a first game play area, the first game having a

5 first game outcome, the first game allowing the player to place a first wager

and potentially entitling the player to a first prize; and

(D) a second game of chance having a second game play area, the second game

having at least three second game outcomes, the second game allowing the

player to place a second wager and potentially entitling the player to a second

10 prize.

57. (new) The gaming device of claim 56 wherein the first game play area is a card wagering layout area.

15 58. (new) The gaming device of claim 56 wherein the second game play area is a roulette betting area.

59. (new) The gaming device of claim 56 wherein a roulette wheel is mounted to the gaming device.

20

60. (new) The gaming device of claim 56 wherein the first game outcome and the second game outcome are independent.

61. (new) A gaming method comprising:

allowing a player to play at least one game round of a game, each game round comprising:

(A) allowing the player to place a wager on a first game of chance having a first game of chance outcome;

5 (B) allowing a live dealer to present the first game of chance to the player;

(C) determining a first game of chance outcome;

(D) if the game of chance outcome comprises a winning outcome, awarding the player a first prize;

10 (E) allowing the player to place a wager on a second game of chance having a second game of chance outcome, the second game of chance having more than two possible outcomes;

(F) allowing the dealer to present the second game of chance to the player;

(G) determining a second game of chance outcome; and

(H) if the second game of chance outcome comprises a winning outcome; awarding the player a second prize.

15

62. (new) The gaming method of claim 61 wherein the step of allowing the dealer to present the first game of chance to the player further comprises dealing at least one card to the player.

20 63. (new) The gaming method of claim 61 wherein the step of allowing the dealer to present the second game of chance to the player further comprises rotating a wheel.

64. (new) The gaming method of claim 61, wherein the first game outcome and the second game outcome are independent.

65. (new) The gaming method of claim 61, wherein the player is allowed to place a wager on the

second game of chance only if the player placed a wager on the first game of chance.

66. (new) The gaming method of claim 61, wherein the player is allowed to place a wager on the second game of chance regardless of whether the player placed a wager on the first game of

5 chance.

67. (new) The gaming method of claim 61 wherein the step of allowing the player to place a wager on a first game of chance having a first game of chance outcome further comprises allowing the player to place a wager on a discrete card game layout.

10

68. (new) The gaming method of claim 61 wherein the step of allowing the player to place a wager on a second game of chance having a second game of chance outcome further comprises allowing the player to place a wager on a discrete wheel game betting layout.

15 69. (new) The gaming method of claim 68, wherein the wheel game betting layout at least resembles a roulette-like betting layout.

70. (new) The gaming method of claim 61 wherein the step of allowing the player to place a wager on a first game of chance having a first game of chance outcome further comprises,

20 allowing the player to place a wager on a first wagering scheme and the step of allowing the player to place a wager on a second game of chance having a second game of chance outcome comprising allowing the player to place a wager on a second wagering scheme, the second wagering scheme being distinct from the first wagering scheme.

71. (new) The gaming method of claim 70 wherein the first wagering scheme is a blackjack betting layout.

72. (new) The gaming method of claim 70 wherein the first wagering scheme is a poker card betting layout.

73. (new) The gaming method of claim 60, wherein the first game of chance is blackjack.

74. (new) The gaming method of claim 60, wherein the second game of chance is roulette-like.

75. (new) The gaming method of claim 60, wherein the first game of chance is poker.

76. (new) The gaming method of claim 60, wherein the second game is roulette-like.

77. (new) The gaming method of claim 60, further comprising:

(A) displaying an image of a roulette-like wheel on a video display;

(B) spinning the roulette-like wheel; and

(C) stopping the roulette-like wheel.
